WELCOME TO THE CENTURY CLUB

Built in 1905, our Edwardian clubhouse survived the 1906 earthquake and fire, and temporarily housed the California State Supreme Court and offices of the City of San Francisco. This is just a part of the rich history we enjoy.

Here you will find a unique, and warmly inviting ambience. Many kinds of events can be enjoyed in our variety of rooms. We offer an elegant and accommodating setting for all of your off-site meeting needs, including that special presentation to your most important clients. Host a small group for lunch or invite a larger one for a concert or lecture.
